Subject: Validated Data Posting

Valerie,

Please notify EPA and Rob Neely (NOAA) that validated data have been posted to the LWG's collaboration portal. Both the SCRA and the full datasets are posted for the following:

1) Round 2B Archived Core Sediment (*note this data is also provided in Query Manager format*):

PHCP Files | Data | Round 2 Data | Subsurface_Sediment

2) TZW - additional testing results (iron):

PHCP Files | Data | Round 2 Data | Groundwater Pathway Data

3) September 2006 surface water files:

PHCP Files | Data | Round_3_Data | Surface_Water_Data

4) January 2006 surface water files:

PHCP Files | Data | Round_3_Data | Surface_Water_Data

Thank you.

Sandy

This communication is made under the framework of the LWG Participation Agreement and in the parties' common interests in meeting LWG member obligations under the Administrative Order on Consent and in anticipation of litigation concerning liability for the Portland Harbor Superfund site. This communication is intended and believed by the parties to be part of an ongoing and joint effort to develop and maintain a common legal strategy and contains strategies, work product and legal advice within the "common interest" extension of the attorney-client privilege and the work product doctrine. This communication may include attorney-client communications. With respect to communications by private LWG members to public members, those communications are with the expectation that they will be kept confidential by the public entities. The information is intended to be for the use of the individual or entity named above. If you are not the intended recipient, please be aware that any disclosure, copying, distribution or use of the contents of this information is prohibited. If you have received this electronic transmission in error, please notify us by telephone at (360) 705-3534, or by electronic mail at sbrowning@integral-corp.com
